

BACK TO SCHOOL PRAYER GUIDE

August 19th - 6pm

Thank you for praying for our area campuses. Prayer is one way EVERYONE can make a difference on school campuses.

As your group prays silently and out loud, pray specifically for spiritual needs and problems you may know at the school.

Below are some prayer items. Before you begin praying, you may have members of the group list specific names.

Prayer Item #1: Praise God for who He is. Thank Him for all He's given you & done for you.

Prayer Item #2: Students: pray for yourself, your ministry at your school, and your spiritual growth. If you are a parent/grandparent/friend: pray specifically for your child/children that God would use them to draw people unto Himself.

Prayer Item #3: Students & Adults: Pray for other Christian schoolmates, their ministry, & spiritual growth.

Prayer Item #4: Pray for non-Christian schoolmates– that they might come to know Christ.

Prayer Item #5: Pray for teachers, staff, and administrators as they lead the school.

Prayer Item #6: Pray that social, racial, and all other ungodly barriers would come down.

Prayer Item #7: Pray that God would be Lord of the school and Christianity would break out and multiply.
