SCHEDULE & INFORMATION

FIRST BAPTIST WYLIE

a church for the cities

What is my NEXT STEP @ FBW?

First, if you are new and checking out FBW, we encourage you to check out our Discover Class. This is taught once a month from 9:30am-10:40pm. The Discover class gives an overall picture of the vision of FBW. Visit fbw.church/next-steps for more info.

Second, if you desire membership at FBW, you can talk to someone about the Membership path during the invitation, in the Connection Center after our services, or online.

Third, if you have made a profession of faith, we offer a Baptism class. The Baptism Class is a class for students in the 7th-12th grade and adults who are scheduled for or wanting to be baptized. The class will cover the significance and symbolism of baptism, how to write a testimony, and spiritual disciplines to help one grow spiritually.

Last, we want you to join a Growth Group! We believe relationships make you stick! The Growth Group is a place where people can get to know others and be known and grow in your faith. You can connect to one of our Campus Growth Groups or one of our Home Growth Groups. The Campus Growth Groups are found in this brochure. For Home Growth Groups, you are invited to a Connection Night on Sunday, September 10 at 5pm in the Event Center. This will help you get in a Home Growth Group. You can also get information at <http://fbw.church/groups>.
